Payment shall be released within _____ days after inspection and acceptance of the palay and completion of processing under prevailing NFA policy.

Other Terms and Conditions

1. The farmer certifies that all information provided is true and correct.
2. The NFA may inspect the product before acceptance.
3. Palay that fails the prescribed quality standards may be rejected or repriced using the NFA Equivalent Net Weight Factor (ENWF) Table.
4. Both parties agree to all provisions stated in this Delivery Schedule Form.

Important Scheduling Notes

1. This document applies only to the named seller, schedule, facility, and quantity. It is non-transferable and may not be altered or duplicated without authority. The current ceiling is 200 bags or 10,000 kilograms per transaction unless an authorized revision applies.
2. Deliver on the scheduled date or within the five-day grace period. A schedule adjustment requires written approval from the concerned NFA Branch Office.
3. If delivery cannot be made, notify the Branch Office in writing at least 48 hours before the schedule whenever practicable. A no-show or failure to deliver without notice and a justifiable reason may affect future scheduling and may result in operational sanctions.
4. Reasons subject to NFA verification include force majeure, calamity or severe weather, pest infestation or crop failure, and serious illness or accident.

Signed this 18th day of August, 2026.
